STATE OF MISSOURI  
JEFFERSON CITY 65101

MATT BLUNT  
SECRETARY OF STATE

STATE CAPITOL  
ROOM 208  
(573) 751-2379

Dear Fellow Missourians,

As your Secretary of State, I am pleased to present the 2003-2004 edition of the *Missouri Roster*, one of the most widely used publications of my office.

This useful directory offers a roster of state, county, district, and federal officials, information on our municipalities, and the results of the 2002 general election. In the *Missouri Roster*, you will find the names, addresses and telephone numbers of men and women who have made a commitment to serve in state, local, and federal offices.

The heart of self-government is citizen participation. Your public servants must have the benefit of your advice, suggestions, concerns, ideas and views. It is my hope that the *Missouri Roster* will serve as an important tool of democracy in our state.

Only an active and informed citizenry will enable Missouri to meet the noble standard set by our state motto, *Salus Populi Suprema Lex Esto*, which means, *Let the Welfare of the People Be the Supreme Law*. On behalf of the Missourians who strive to serve you in our state government, let me thank you for your interest.

Please feel free to contact this office whenever we may be of assistance.

Sincerely,

A handwritten signature in black ink that reads "Matt Blunt". The signature is stylized, with the first letters of "Matt" and "Blunt" being large and prominent.

Matt Blunt  
Secretary of State

# Office of Governor

The chief executive officer of the State of Missouri must be at least 30 years old, a U.S. citizen for 15 years or longer and a resident of Missouri for at least 10 years before being elected governor.

The Governor is elected to a four-year term during the same year as a presidential election and may seek re-election to a second four-year term. No person may hold the office for more than two terms.

The governor appoints the members of all boards and commissions, the heads of all departments in state government and all vacancies in public offices unless otherwise provided by law. The board members of Missouri's state universities and colleges are appointed by the governor. The governor also selects the members of the Supreme and Appellate Courts of Missouri from names submitted by the State Judicial Commissions. He appoints members to the state's six Boards of Election Commissioners, two Boards of Police Commissioners, and the Board of Probation and Parole. Most appointments require the advice and consent of the Senate.

**Governor Bob Holden**

The governor addresses the General Assembly on the state of government and recommends changes. He submits a budget to the General Assembly within 30 days after the assembly convenes.

# Office of State Auditor

The State Auditor's office determines if tax dollars are spent efficiently, economically and legally, and how well public funds are protected from potential fraud or abuse. All audits are conducted in an impartial, non-partisan manner and according to government auditing standards issued by the United States General Accounting Office.

The audits are categorized into five types: state government, performance, petition, county and special county audits. State government audits cover state agencies, boards and commissions, statewide elected officials, the legislature, the state's financial statements and federal awards expended by the state. Performance audits analyze if various state programs or agencies achieve desired results and are run in the most efficient and cost-effective manner. The state auditor also reviews the state's municipal and circuit courts, 90 of the state's 114 counties, and can be petitioned by citizens to audit local political subdivisions. In addition to the primary auditing duties, the state auditor registers general obligation bonds and ensures tax rates levied by political subdivisions comply with state law.

**State Auditor Claire McCaskill**

The powers of the state auditor are derived from Article IV, Section 13 of the *Missouri Constitution*. Legal duties are detailed in Chapter 29 of the *Revised Statutes of Missouri*.

# Office of State Treasurer

The Missouri Treasurer serves as the state's chief financial officer. The duties of the state treasurer as defined by the *Missouri Constitution* and statutes are to be the custodian of all state funds, and to invest those funds not needed for daily state operations in time deposits, notes and government securities.

The state treasurer serves a term of four years, and a person may only serve as state treasurer for two terms.

The treasurer's office is responsible for managing Missouri's \$19 billion in annual state revenues by overseeing the state's banking services and managing Missouri's \$2.5 billion investment portfolio. The State Treasurer's Office also serves as trustee for more than \$210 million in unclaimed property that has been turned over to the state by banks, businesses, insurance companies and government agencies, and works to locate the rightful owners.

The state treasurer serves on the management boards of three public entities, and plays an important role in ensuring that their funds are managed and invested in a responsible manner. These boards are: Missouri Housing Development Commission, which assists in the creation of affordable housing for low- and moderate-income Missourians; Missouri State Em-

# Executive Departments

---

Government exists to serve, and a broad network of government organizations has been created to accomplish the purpose. Because of the many different names used by these groups—departments, divisions, agencies, boards, commissions, bureaus, units, sections, programs and others—it can be difficult to determine which area of government is responsible for certain services, or to sort out responsibilities or relationships within the governmental framework.

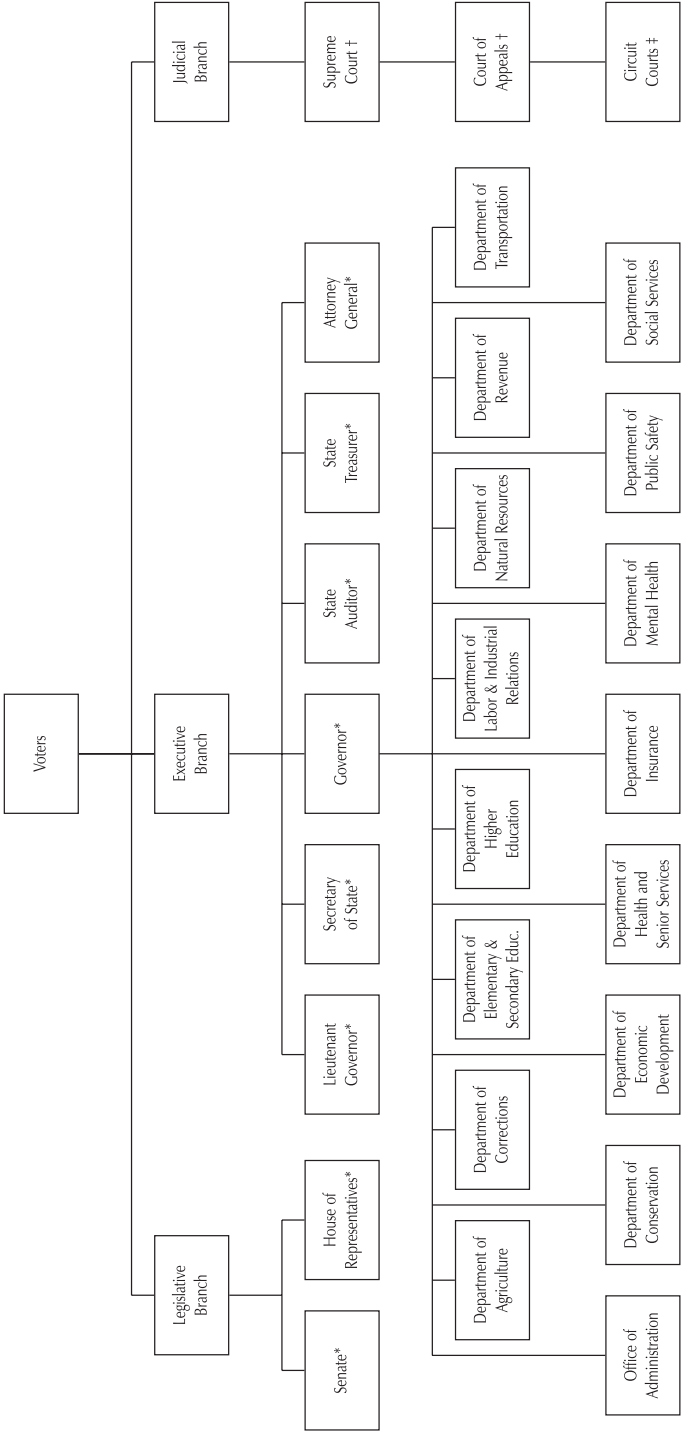

The Missouri Constitution (Article II, Section 1) states: “The powers of government shall be divided into three distinct departments—the legislative, executive and judicial.” This section also prohibits persons within each branch from exercising powers of the other branches.

From these three branches spring the variety of organizations which deliver services of state government. Generally speaking, the legislative and judicial branches rely on committees or other small, appointed groups to perform research, develop policy, provide advocacy services or handle administrative duties. In these two branches services are delivered through the offices of the elected officials themselves and not by related agencies.

It is through the executive branch that the greatest proportion of state services are delivered. The Constitution (Article IV, Section 12) and the Reorganization Act of 1974 have established a number of “executive departments” to deal with specific areas of interest. A chart showing the present state departments is shown on the following page.

The Missouri Constitution, provides for 16 specific departments: the Office of Administration and the departments of Agriculture, Conservation, Corrections, Economic Development, Elementary and Secondary Education, Health and Senior Services, Higher Education, Insurance, Labor and Industrial Relations, Mental Health, Natural Resources, Public Safety, Revenue, Social Services and Transportation.

Within each executive department exists a variety of offices of varying size and scope which deal with specific services. Traditionally, “divisions” are the next-largest organizations within departments and function to bring together smaller-sized groups, such as “bureaus,” “sections” or “units.” Divisions may be governed by a “board” or “commission” composed of members who are either appointed by the governor, made members by law or appointed by a department official. State agencies may administer certain sections of state law, as defined by the Revised Statutes of Missouri, may develop their own rules and regulations as promulgated in the Missouri Register and Code of State Regulations or may institute programs and policies which address the needs of their areas of service.

# Office of Administration

---

*PO Box 809, Jefferson City 65102*

The Office of Administration is the state's service and administrative control agency. Created by the General Assembly on January 15, 1973, it combines and coordinates the central management functions of state government. Its responsibilities were clarified and amended by the Omnibus State of Missouri Reorganization Act of 1974.

The chief administrative officer is the commissioner of administration who is appointed by the governor with the advice and consent of the Senate. The commissioner appoints the deputy commissioner and the division directors of the Office of Administration. The divisions are: Accounting; Budget and Planning; Design and Construction; Information Services; Facilities Management; General Services; Personnel; and Purchasing and Materials Management.

# Department of Agriculture

---

1616 Missouri Blvd., PO Box 630, Jefferson City 65102

Like Missouri agriculture, the duties of the Missouri Department of Agriculture are diverse. The department enforces those state laws that regulate and market Missouri's agricultural industry. The agency administers programs that protect the state's producers, processors, distributors and consumers of food, fuel and fiber, while marketing Missouri agricultural products at home and abroad.

Created by the General Assembly in 1933, the agriculture department is managed by a director who is appointed by the governor and confirmed by the Senate. The director determines department policy, oversees the department's divisions and disseminates information to the governor, the state legislature, industry representatives and the public.

# Department of Conservation

---

2901 W. Truman Blvd., PO Box 180, Jefferson City 65102-0180

The Department of Conservation, authorized by an amendment to the Constitution, was created for better management of the state's forest, fish and wildlife resources. Since the department funding was increased in 1977 by an addition to the state sales tax, the department has purchased more than 473,640 acres of public land for wildlife, fisheries, forestry conservation and public recreation, and has substantially expanded most programs—most notably conservation education, law enforcement, wildlife services, and activities dealing with endangered species, non-game wildlife and natural areas.

The department is headed by the Conservation Commission, whose four members are appointed by the governor with the advice and consent of the Senate, serving for staggered terms of six years each. The commissioners appoint the department director who, along with two deputy directors and one assistant director, directs programs and activities through the divisions of administrative services, fisheries, forestry, human resources, outreach and education, private land services, protection, science and wildlife.

# Department of Corrections

---

*PO Box 236, Jefferson City 65102*

The Department of Corrections supervises convicted felons and misdemeanants.

Organized as a separate department of state government by an act of the legislature in 1981 and reorganized July 1, 1993, it is comprised of four divisions: Administration/ Human Services, Adult Institutions, Division of Offender Rehabilitative Services, and Pro- bation and Parole. The executive staff includes the department director, deputy director, assistant deputy director and division directors.

The Division of Administration/Human Services, consisting of four units, provides sup- port to the divisions of Adult Institutions and Offender Rehabilitative Services, the Board of Probation and Parole and the department's technical staff.

The Division of Adult Institutions oversees the care and custody of inmates in 20 cor- rectional institutions across the state.

The Division of Offender Rehabilitative Services' goal is inmate rehabilitation through the provision of specialized education, job training and treatment programs.

The Board of Probation and Parole consists of seven members, appointed by the gover- nor with the advice and consent of the Senate. They are assisted by four parole analysts who sit with the board on hearings and make recommendations on parole reviews. This division is responsible for the community supervision of offenders.

*PO Box 480, Jefferson City 65102*

The Department of Elementary and Secondary Education was reorganized and established in its present form by the Omnibus State Reorganization Act of 1974.

The Department of Elementary and Secondary Education is primarily a service agency that works with local school officials and other groups to identify needs within the educational system and to improve educational opportunities and programs for all citizens. Through its regulatory functions, the department strives to assure the effective and efficient operation of state and federal education programs. Under the direction of the State Board of Education, the department is organized with the offices of commissioner of education, deputy commissioner, associate commissioner, and five other divisions, each of which is headed by an assistant commissioner.

The State Board of Education is a lay board consisting of eight members appointed by the governor and confirmed by the Senate. It is vested with the responsibility for the supervision of the public school system in this state and establishes policy in accordance with state and federal law for the department. The board appoints a commissioner of education who serves as chief administrative and executive officer of the department. The commissioner, along with department staff, interprets and implements policies established by the board. The commissioner is assisted by a deputy commissioner, associate commissioner, and assistant commissioners for each of the other five divisions.

# Department of Higher Education

3515 Amazonas Dr., Jefferson City 65109  
www.dhe.mo.gov

The Missouri Coordinating Board for Higher Education (CBHE) was authorized by an amendment to the Missouri Constitution in 1972 and established by statute in the Omnibus State Reorganization Act of 1974. The nine members are appointed by the governor, confirmed by the Senate, and represent each Missouri congressional district. The board members serve six-year terms; no more than five of the nine members may be affiliated with the same political party. The CBHE's primary goals in statewide planning and coordination are to promote academic quality, to ensure the efficient use of resources, and to provide financial and geographic access to Missouri's system of higher education.

The department is the administrative arm of the CBHE. The functions of the department include statewide planning for post-secondary education, evaluation of student and institutional performance, identification of statewide needs for higher education, development of effective and economical specialization among institutions, submission of a unified budget request for public higher education to the governor and the Missouri General Assembly, review and enhancement of institutional missions, and approval of new degree programs offered at the public colleges and universities. In addition, the department administers a variety of student financial assistance programs, the proprietary school certification program, and the State Anatomical Board.

The board employs a commissioner of higher education to carry out its goals and administrative responsibilities. The state system of higher education includes 13 public four-year colleges and universities, 19 public two-year campuses, 1 public two-year technical college, 25 independent colleges and universities, and 120 proprietary schools.

# Department of Insurance

---

301 W. High, PO Box 690, Jefferson City 65102-0690

The Department of Insurance's primary responsibility is to protect the consumer by regulating insurance companies, agencies, agents and brokers doing business in Missouri.

The Department of Insurance, with functions dating from 1869, was created by constitutional amendment effective July 1, 1991. Previously, the department was a division within the Department of Economic Development. The department has four divisions: Resource Administration, Consumer Affairs, Financial Regulations and Market Regulation. The executive staff includes the department director, assistant director, general counsel and division directors.

The Division of Resource Administration, information systems, budgeting and other coordinates provide support for the department. The licensing section also operates in this division.

The Division of Consumer Affairs, assists the general public in resolving complaints, providing information to consumers on insurance policies and provisions and investigating alleged acts of insurance related fraud.

The Division of Financial Regulations conducts financial analysis and examination of Missouri domestic insurers to verify their financial condition. The division also ensures that company operations comply with Missouri laws and accepted insurance accounting practices.

The Division of Market Regulation has five sections that monitor the day-to-day business activities of insurance companies. The Life and Health Section and the Property and Casualty Section are responsible for reviewing insurance policy contracts, rules and rate filings. The Market Conduct Section evaluates a company's performance with consumers in the market; examinations include a review of company marketing, licensing, rate and claims. The Managed Care Section oversees policy development, implementation of new legislation and the analysis of statistical data from health maintenance organizations and entities.

# Department of Public Safety

*Truman State Office Building, PO Box 749, Jefferson City 65102-0749, FAX (573) 751-5399*

The Department of Public Safety is responsible for coordinating all elements of law enforcement, criminal investigation and public safety activities undertaken by state government, the ultimate goal being to ensure the safety and security of Missouri's citizens and their property. This is accomplished through the activities of ten divisions: Division of Veterans' Affairs; Division of Highway Safety; Division of Liquor Control; Missouri State Water Patrol; Division of Fire Safety; Missouri State Highway Patrol; Missouri Capitol Police; Missouri Gaming Commission; Office of the Adjutant General (Missouri National Guard); and the State Emergency Management Agency.

Established by the Omnibus State Reorganization Act of 1974, the department consisted of a small central staff and seven divisions which had reported directly to the governor. Since then significant changes have occurred. The department is now responsible for 3,600 employees and a budget of more than \$200 million.

The department is under the supervision of a director, appointed by the governor with the advice and consent of the Senate.

# Department of Revenue

*PO Box 311, Sixth Fl., Truman State Office Building, Jefferson City 65105-0311*

The Department of Revenue, created by Article IV, Section 22, of the 1945 Missouri Constitution, is responsible for the collection of taxes, titling and registration of motor vehicles, and licensing of drivers throughout the state.

The director, appointed by the governor and confirmed by the Senate, is responsible for all operations and policies of the department.

Three divisions, each under a division director, administer the operations of the department: Division of Administration; Division of Motor Vehicle and Drivers Licensing; and Division of Taxation and Collection. In recent years, the department has focused its efforts on running government more like a business, becoming more customer oriented, focusing on results, and simplifying processes for its customers. As a result of its improvement efforts, the Department of Revenue became the first state department to receive the Missouri Quality Award, which recognizes organizations for outstanding practices and results in customer satisfaction, quality, employee involvement, and leadership.

# Missouri Courts

Missouri has a three-tier court system. Article V of the Constitution, as amended by Missouri voters in 1976, vests the judicial power in a Supreme Court, the state's highest court, with statewide jurisdiction; in a Court of Appeals consisting of districts established by the General Assembly; and in a system of circuit courts which have original jurisdiction over all cases and matters, civil and criminal.

The Supreme Court and Court of Appeals have general superintending control over all courts and tribunals within their jurisdictions. Original remedial writs may be issued and determined at each level of the court system. Decisions of the Supreme Court are controlling in all other courts.

The Circuit Court is organized into divisions: circuit, associate, juvenile, family court and probate. Circuit judges may hear and determine all cases and matters within the jurisdiction of the Circuit Court.

The number of circuit judges is determined by the General Assembly. The Constitution requires at least one circuit judge in each of Missouri's 45 judicial circuits.

Associate circuit judges may hear those types of civil and criminal matters specified in Chapters 472, 476, 478 and 482 of the Revised Statutes. By agreement of the parties, by assignment of the circuit's presiding judge or by local court rule, associate circuit judges may hear any matter pending in the Circuit Court. Associate circuit judges may hear any case upon assignment by the Supreme Court.

## Classification of Municipalities

Missouri statutes classify municipalities on the basis of population and limit the form of government options of each classification. The statutes provide that a community may incorporate as a city of the third class, fourth class or village on the basis of the population at the time of incorporation.<sup>1</sup>Once a community is incorporated under a given classification, the municipality does not automatically change classification with a gain or loss of population. A municipality may change classification only when the change is approved by a majority vote of the people.

There are certain forms of government permitted for each classification of municipality. Villages are permitted only one form of government—an elected board of trustees, five in number if the village has less than 2,500 population and nine if more than 2,500 population. Fourth-class cities are permitted to have either the mayor/board of aldermen form or the mayor/city administrator/aldermen form. The board of aldermen may adopt the city administrator form by ordinance, without a vote of the people. Third-class cities are granted greater flexibility with the authority to establish the mayor/council form, the council/manager form, the commission form or the mayor/city administrator/council form. Finally, constitutional charter cities may adopt any form of government that the people approve in the charter.

<sup>1</sup>From 1821 to 1875, the Missouri General Assembly passed special charters for specific cities, until the 1875 Constitution prohibited further granting and amending of special charters. However, seven Missouri municipalities are still operating under special charters granted before 1875. They are Carrollton, Chillicothe, LaGrange, Liberty, Miami, Missouri City and Pleasant Hill. If the voters of these municipalities decide to relinquish their special charters, they will be governed by the appropriate sections of the statutes relevant to their population classification.

Class	Population Requirement	Form of Government	Total Number
Village	less than 500	Board of trustees	260 (approx.)

3rd Class	3,000-29,999	Mayor/council Mayor/city administrator/council Council/manager Commission	57
Constitutional Charter	more than 5,000	To be decided by the people	36

**Constitutional Amendment No. 1**

*Proposed by the 91st General Assembly (1st Regular Session) HS HJR 11*

Shall the Missouri Constitution be amended so that the citizens of the City of St. Louis may amend or revise their present charter to provide for and reorganize their county functions and offices, as provided in the constitution and laws of the state?

The estimated fiscal impact of this proposed measure to state and local governments is \$0.

**Constitutional Amendment No. 2**

*Proposed by Initiative Petition*

Shall Article XIII of the Missouri Constitution be amended to permit specified firefighters and ambulance personnel, and dispatchers of fire departments, fire districts, ambulance districts and ambulance departments and fire and emergency medical services dispatchers of dispatch agencies, to organize and bargain collectively in good faith with their employers through representatives of their own choosing and to enter into enforceable collective bargaining contracts with their employers concerning wages, hours, binding arbitration and all other terms and conditions of employment, except that nothing in this amendment shall grant to the aforementioned employees the right to strike?

The annual costs to paid fire departments and districts, ambulance departments and districts, and dispatch agencies to enter into collective bargaining contracts are approximately \$251,600 to \$3,145,000, depending upon the number of entities entering into such contracts.

Full text as submitted by petitioner.

**Constitutional Amendment No. 3**

*Proposed by the 91st General Assembly (2nd Regular Session) HCS SJR 24*

Shall Article III, Section 8 of the Missouri Constitution be amended to exclude, from the calculations of term limits for members of the General Assembly, service of less than one-half of a legislative term resulting from a special election held after December 5, 2002?

The estimated fiscal impact of this proposed measure to state and local governments is \$0.

**Constitutional Amendment No. 4**

*Proposed by the 91st General Assembly (2nd Regular Session) SS SCS HCS HJR 47*

Shall joint boards or commissions, established by contract between political subdivisions, be authorized to own joint projects, to issue bonds in compliance with then applicable requirements of law, the bonds not being indebtedness of the state or political subdivisions, and such activities not to be regulated by the Public Service Commission?

This measure provides potential savings of state revenue and imposes no new costs.

**Constitutional Convention**

*Submitted by Matt Blunt, Secretary of State, State of Missouri*

In compliance with the Constitution of Missouri, Article XII, Section 3(a)

Shall there be a convention to revise and amend the Constitution?

**Proposition A**

*Proposed by Initiative Petition*

Shall Missouri law be amended to impose an additional tax of 2.75 cents per cigarette (fifty-five cents per pack) and 20 percent on other tobacco products, with the new revenues placed into a Healthy Families Trust Fund to be used for the following purposes: hospital trauma care and emergency preparedness; health care treatment and access, including prescription drug assistance for seniors and health care initiatives for low income citizens, women, minorities and children; life sciences research, including medical research and the proper administration of funds for such research; smoking prevention; and grants for early childhood care and education?

An additional tax of two and three-quarters cents per cigarette and an additional tax of twenty percent of the manufacturer's invoice price for tobacco products other than cigarettes would generate net annual state revenues of approximately \$342,636,000; local fiscal impact, if any, is unknown.

## Missouri Voting and Elections

### Who registers to vote in Missouri?

Citizens living in Missouri must register in order to vote. Any U.S. citizen 17 years and 6 months of age or older, if a Missouri resident, may register and vote except:

- A person who is adjudged incapacitated
- A person who is confined under sentence of imprisonment
- A person who is on probation or parole after conviction of a felony until finally discharged
- A person after conviction of a felony or misdemeanor connected with the right of suffrage (RSMo 115.133)

### How do Missourians register?

Qualified citizens may register in person at the office of their local election authority, by mail, at the driver's license fee office or at participating state agencies. Registration in person is accomplished by filling out registration forms with information on identity, residence and qualifications which are signed and sworn to, then witnessed by the election authority or a designee. (RSMo 115.155)

Registration by mail, at the driver's license fee office or at the participating state agencies requires submission of an application stating qualifications. A verification or rejection of registration is sent by the election authority within seven working days. (RSMo 115.159)

### When do Missourians register?

An unregistered citizen may register to vote whenever local election officials' places of business are open, by requesting an application by mail from the election authority, when renewing a Missouri driver's license or when receiving services from a participating state agency. Special registration sites and dates may be utilized prior to major elections.

The deadline for registration is the fourth Wednesday prior to an election. New Missouri residents may register immediately.

### When do Missourians vote?

In addition to certain special and emergency dates, there are six official election dates in Missouri:

The statutes require that all public elections be held on the general election day, the primary election day, the general municipal election day, the first Tuesday after the first Monday in February or November, or on another day expressly

provided by city or county charter, the first Tuesday after the first Monday in June and in nonprimary years on the first Tuesday after the first Monday in August. (RSMo 115.123.1)

The general election day is the first Tuesday after the first Monday in November in even-numbered years. The primary election day is the first Tuesday after the first Monday in August in even-numbered years. (RSMo 115.121 (1 & 2))

Elections for cities, towns, villages, school boards and special district officers are held the first Tuesday in April each year, known as "general municipal election day." (RSMo 115.121.3)

A statewide presidential preference primary shall be held on the first Tuesday after the first Monday in February of each presidential election year. (RSMo 115.755)

### Who conducts registration and elections?

Voter registration and the conduct of elections are the responsibilities of boards of election commissioners in the counties of Clay, Jackson, Platte and St. Louis and in the cities of Kansas City and St. Louis. The county clerk serves as the election authority in all other counties of the state.

### Special voting provisions

Handicapped voters and persons prevented from voting because of absence or illness may vote absentee. Persons with permanent disabilities may apply for permanent absentee ballot status by making application with the local election authority and providing a physician's statement as required by law. (RSMo 115.284) Curbside voting is permitted in Missouri, or voters may be transferred to more accessible precincts. Local election officials should be contacted about absentee federal service balloting or "new resident" ballots for residents who arrive after the registration deadline.

### Elections and political parties

Missourians do not register under party affiliation. Hence, at primary elections, voters may choose which "established party" they vote within. Party nominee—and independent candidates—are then listed on the general election ballot.

There are presently three "established political parties" statewide—the Democratic, Republican and Libertarian parties. Persons may seek the nomination of these parties for any elective office from the county level and above. In order to become "established", a party must have received more than two percent of the votes cast

statewide for at least one of its candidates. New parties are formed by petition and may exist on the county, district or state level. They must meet the same standard as any other party to remain "established."

At the time of primary elections, voters select county committee members of established parties in Missouri. Those committee people, thus elected, have certain duties and responsibilities. They serve, as appropriate, as members of leg-

islative, senatorial, judicial, and congressional district committees. County, district, or state committee members may be called on to fill candidate vacancies on party ballots or to select nominees for special elections from time to time. The state committees are selected, indirectly, by local committee persons. The state committees become especially important when delegates to presidential nominating (national) conventions are being selected.
